Family Vacation Request

Name _____ Grade/Room _____

School attendance contributes to academic success. Parents/Guardians should understand that school absences could affect the student’s academic progress. Whenever possible, family vacations should be taken when school is not in session. A family vacation is defined as a trip the family takes overnight and the student(s) would be unable to come to school for part or all of the next school day(s). When circumstances require a student to miss school for a family vacation, the parent/guardian must notify and obtain approval from the Principal prior to the absence. **Failure to notify the school prior to the vacation will be counted as an unexcused absence.**

I request the above student be excused from attendance at school on the following dates _____, returning on _____ for the following reason:
